COMMITMENT

Good governance, integrity and accountability are central to the *Local Government Act 2020* (“the Act”), to underpin local government democracy, accountability, conduct and enable our community to hold the Council to account. Council is committed to embedding the principles of good governance throughout its decision making, corporate governance and democratic governance by establishing and adhering to the Governance Rules established.

The principles of good governance incorporate the principles outlined in the Act, including the overarching governance principles as well as the public transparency, community engagement, strategic planning, service performance and financial management principles.

Council decision making will be founded on good governance and conducted with transparency. The process by which decisions will be made is transparent and clearly articulated in these Governance Rules for the scrutiny of our community and accountability of Councillors and Council officers. Council recognises that accountability, integrity and transparency are of fundamental importance to our community and are critical for enhancing good governance.

Council seeks to apply good governance in order to:

- Engage our community in decision making;
- Achieve the best outcomes for the Moreland community, including future generations;
- Ensure the transparency of Council decisions, actions and information;
- Ensure the ongoing financial viability of Council;
- Increase our performance;
- Drive out inefficiencies; and
- Reassure residents that we are spending public monies wisely.

CHAPTER 1 - INTRODUCTION

1.1 Purpose

These Governance Rules determine the way in which Council will:

- a) Make decisions:
 - in the best interest of the Moreland community;
 - fairly and on the merits of the question;
 - in a way that ensures any person whose rights will be directly affected by a decision will be entitled to communicate their views and have their interests considered;
- b) Elect its Mayor and Deputy Mayor;
- c) Conduct Meetings of Council and Delegated Committees;
- d) Give notice of Meetings and record and make available Meeting records (Minutes and livestreamed Meetings);
- e) Be informed in its decision making through community engagement, Advisory Committees, Councillor areas of responsibility and Council officer reports;
- f) Require the disclosure and management of conflicts of interest.

The Governance Rules also include:

- Rules for the conduct of Council and Councillors during Election Periods, through the Election Period Policy;
- An overview of alignment of the Governance Rules within Council's democratic and corporate governance; and
- Provisions for use of the Common Seal.

1.2 Principles

Council must, in the performance of its role, give effect to the overarching governance principles outlined in the Act. These principles are:

- a) Council decisions are to be made and actions taken in accordance with the relevant law;
- b) Priority is to be given to achieving the best outcomes for the municipal community, including future generations;
- c) The economic, social and environmental sustainability of the municipal district, including mitigation and planning for climate change risks, is to be promoted;
- d) The municipal community is to be engaged in strategic planning and strategic decision making;
- e) Innovation and continuous improvement are to be pursued;
- f) Collaboration with other Councils and Governments and statutory bodies is to be sought;

- g) The ongoing financial viability of the Council is to be ensured;
- h) Regional, state and national plans and policies are to be taken into account in strategic planning and decision making;
- i) The transparency of Council decisions, actions and information is to be ensured.

In giving effect to the overarching governance principles, Council must take into account the following supporting principles —

- a) the community engagement principles;
- b) the public transparency principles;
- c) the strategic planning principles;
- d) the financial management principles;
- e) the service performance principles.

CHAPTER 2 - CONTEXT

2.1 Affected Persons Rights and Interests¹

In any matter in which a decision must be made by Council (including persons acting with the delegated authority of Council), Council must consider the matter and make a decision:

- a) fairly, by giving consideration and making a decision which is balanced, ethical and impartial; and
- b) on the merits, free from favouritism or self-interest and without regard to irrelevant considerations.

Council must, when making any decision to which the principles of natural justice apply, adhere to the principles of natural justice (including, without limitation, ensuring that any person whose rights will be directly affected by a decision of Council is entitled to communicate their views and have their interests considered).

Before making a decision that affects a person's rights, Council (including persons acting with the delegated authority of Council) will identify whose rights may be directly affected and provide an opportunity for that person (or persons) to convey those views regarding the effect on their rights and consider those views.

This includes but is not limited to the rights outlined in the *Charter of Human Rights and Responsibilities Act 2006* and Council's Human Rights Policy.

The opportunity provided for a person whose rights have been affected to contribute their views will be documented in any relevant report put before the Council or Delegated Committee.

A Council officer making a decision under delegation that affects the rights of a person will record in writing the opportunity provided to the person to have their views considered.

CHAPTER 7 - DELEGATIONS

Council can make decisions (act) in two ways – by resolution at a Council Meeting or by delegation (others acting on its behalf). The 2020 provides for Council to delegate to the Chief Executive Officer.

Delegation of Council powers to the Chief Executive Officer and other members of Council staff is a long-established practice to enable day to day operational decisions to be made efficiently. Delegation of Council powers is primarily enabled and regulated by the Local Government Act 2020, however powers, duties and functions may be delegated from a range of Acts, Regulations and local laws.

Additionally, the Act and other legislation confers some powers duties and functions directly to the Chief Executive Officer. These may also be delegated by the Chief Executive Officer to various positions in the organisation's structure.

Delegations are to a position in the organisational structure rather than to a person.

- (1) A Delegate must exercise the duties and perform the duties and functions set out in the Instrument of delegation and in accordance with any guidelines or policies of Council.
- (2) A Delegate making a decision that will affect any person's rights, will identify whose rights may be affected and provide an opportunity for that person (or persons) to convey their views regarding the effect on their rights, and consider those views.
- (3) Delegates must keep appropriate records of decisions and actions taken under delegation.
- (4) The Chief Executive Officer may designate certain decisions made under delegation as matters to be reported to Council.
- (5) Council's public register of delegations will be available on its website and for inspection, on request, at Council's offices.

CHAPTER 8 – COMMON SEAL

The purpose of this Section is to provide for the security and proper use of the Common Seal. The Common Seal is the corporate signature of Council and exists in the form of a stamp. It evidences Council's corporate will and authenticates decisions taken and acts performed by Council.

As many of the powers, duties and functions of a Council are delegated to the Chief Executive Officer and other members of Council staff, the Common Seal of Council is only used on legal documents such as local laws, contracts, agreements, transfers of land and other documents where required by legislation or where outside the Chief Executive Officer's delegation.

8.1 Custodian of Common Seal

- (1) A person must not use the Common Seal without authority from Council.
- (2) The Chief Executive Officer must always ensure the security of the Common Seal.

8.2 Arrangements for the Signing and Sealing of a Document

- (1) A written request and a copy of the Council resolution approving the use of the Council seal must be submitted to the Manager Governance and Strategy for signing and sealing.
- (2) If Sub-Rule (1) is not met, the documents must not be signed and sealed.
- (3) A contract or agreement must only be submitted for signing and sealing, once the document has been fully executed by the other party/parties (unless the other party to the contract or agreement is either the State Government of Victoria, the Federal Government or another Local Government entity).

8.3 Affixing the Common Seal

- (1) The affixing of the Common Seal to any document must be attested to by the signatures of both:
 - (a) a Councillor; and
 - (b) the Chief Executive Officer,acting on behalf of Council.
- (2) The seal of a Council must not be affixed to any document without the Council's approval granted either generally or specifically by resolution that the seal be so affixed.

The following is an example of the required approval:

That Council affix the Common Seal to the [description of document].

Or

The [document], shall come into force immediately upon the common seal of the Council is affixed to the [document].

- (3) The affixing of the Seal to a document must be witnessed by signatures of a Councillor and the Chief Executive, except in the instance where the Seal is to be appended to the contract of employment for the Chief Executive. In this instance, a second Councillor will sign alongside the Mayor.

8.4 Sealing Register

The Manager Governance and Strategy will ensure that a register of all uses of the Common Seal is kept by Council. The register will contain a description of the document, the date the Seal was affixed and the date Council resolved to affix the Seal.

9.1 Records of Meetings held under the auspices of Council

- (1) A record of the matters discussed at Meetings organised or hosted by Moreland that involve Councillors and Council staff will be kept.
- (2) Records kept in accordance with Sub-Rule one will include:
 - a) The attendees at the Meeting, including organisations represented by external presenters;
 - b) The title of matters discussed
 - c) Any conflicts of interest disclosed and whether the person with the conflict of interest left the Meeting.
- (3) Where Minutes are kept of a Meeting and made available to the community an additional record is not required to be kept.

9.2 Councillor attendance records

- (1) Council will maintain a register of Councillor attendance at Council Meetings, Delegated Committee Meetings and Meetings arranged to brief Councillors.
- (2) The register of Attendance kept in accordance with Sub-Rule (1) will be published on Council's website quarterly

CHAPTER 10 – ELECTION PERIODS

The Election Period Policy governs the conduct of Council, Councillors and members of Council staff during an election period to ensure appropriate decision-making in the lead up to a Council election.

The Election Period prohibits the use of Council resources for any election campaign and puts in place a procedure to ensure Council does not print, publish or distribute any material that may influence the outcome of the election.

Additionally, the Election Period Policy addresses Councillors and staff standing as candidates in Council, State or Federal elections.

Election Periods Generally

- (1) Council will have in place an election period policy that:
 - (a) Governs decision making during a local government election period, including what may be considered at a Council Meeting;
 - (b) Prohibits the use of Council resources for any election campaign purposes, including Federal, State or Council elections;
 - (c) Sets out the conditions for any community engagement required to be undertaken during an election period, including consultations, Civic events, and activities of Advisory Committees established by Council;

 - (e) Defines roles and responsibilities in relation to who is the spokesperson for Council during an election period;
 - (f) Sets out the requirements for a Councillor or member of Council staff who is a candidate in an election including a Federal, State or Council election.
- (2) At least once in each Council term and, not later than 12 months prior to the commencement of an election period, Council will review its election period policy.
- (3) The Election Period Policy forms part of these Governance Rules.
- (4) The operation of Council Advisory Committees shall be suspended upon the commencement of the election period ahead of a general Council election.
- (5) Any outstanding Delegate's Reports may still be reported to a **Council** Meeting during this period.
- (6) Council Committees shall resume Meeting following the election and the appointment by the incoming Council of Councillors to each committee.

Election Period Policy

1. Introduction

The Act requires Council to include an Election Period Policy (Policy) in its Governance Rules.

2. Context

Under Section 69 of the Act, an election period policy must prohibit any Council decision during the election period for a general election that:

- (a) relates to the appointment or remuneration of the Chief Executive Officer but not to the appointment or remuneration of an Acting Chief Executive Officer; or
- (b) commits the Council to expenditure exceeding one per cent of the Council's income from general rates, municipal charges and service rates and charges in the preceding financial year; or
- (c) the Council considers could be reasonably deferred until the next Council is in place; or
- (d) the Council considers should not be made during an election period.

An Election Period Policy must also prohibit any Council decision during the election period for a general election or by-election that would enable the use of Council resources in a way that is intended to influence, or is likely to influence voting at the election.

Section 123 of the Act (Misuse of Position) prescribes serious penalties for any Councillor who inappropriately makes use of their position or information obtained in their role, to gain an advantage, or disadvantage another.

3. Monitoring, Evaluation and Review

The requirements of this policy will be monitored throughout each election period to ensure compliance.

4. Associated documents

5. Policy Objectives

To support and ensure the conduct of good governance for Council and the organisation during election periods through the transparency and accountability of Councillors, Council officers, and candidates during an election period.

The policy complies with the Act, which requires Councils to have an election period policy that sets out requirements relating to conduct, decision making, transparency and equity, and use of Council resources during an election period.

6. Policy Details

6.1 Election Period

During the 'Election Period' for a Municipal General Election the Council will be deemed to be in 'Caretaker Mode'. The election 'caretaker' period extends for 32 days - from the time nominations close on Nomination Day, until 6pm on election day.

During an election period, Councillors:

- a) Will continue to fulfil their duties (unless they are granted a leave of absence);
- b) Will continue to engage, and communicate with, the community in their Councillor role;
- c) Must comply with the Act and Councillor Code of Conduct, and
- d) Must not use their position to influence Council officers, or access Council resources or information, in support of any election campaign or candidacy.

Section 69 of the Act prohibits any Council decision during the election period for a general election that:

- a) Relates to the appointment or remuneration of the Chief Executive Officer, but not to the appointment or remuneration of an acting Chief Executive Officer;
- b) Commits the Council to expenditure exceeding 1% of the Council's income from general rates, municipal charges and service rates and charges in the preceding financial year; or
- c) The Council considers could be reasonably deferred until the next Council is in place; or
- d) The Council considers should not be made during an election period.

If the Council considers that there are extraordinary circumstances where the municipality or the local community would be significantly disadvantaged by the Council not making a particular decision, the Chief Executive Officer may make an application to the Minister for a compliance exemption in accordance with section 177 of the Act.

During an election period, it shall be the ultimate responsibility of the Chief Executive Officer, having consulted with the Mayor, to determine if a matter is to be presented to Council for decision.

6.2 Guidance on Decisions

Council will avoid making decisions that would affect voting at an election or decisions that may unreasonably bind an incoming Council and could be deferred until after the election.

Examples of inappropriate decisions include:

- a) Allocating community grants or other direct funding to community organisations;
- b) Major planning scheme amendments;
- c) Changes to strategic objectives and strategies identified in the Council Plan;
- d) Adopting policy;
- e) Setting advocacy positions.

The only items to be considered at an Council or Special Committee Meeting held during the election period, will be the Annual Report, and administrative items to complete the Council's term of office, for example, routine governance items (including records of Meeting held under the auspices of Council reporting). Public Question Time and Community Statements will be suspended during the election period.

At a Council Meeting designated to consider Planning and Related Matters, only permit applications that may otherwise be subject of an application to VCAT on the grounds Council has failed to determine within the prescribed time will be considered.

6.3 Officers with Delegated Authority

During the election period, Council officers must defer making a decision under a delegation from Council or sub-delegation from the Chief Executive Officer, that could be reasonably deferred until the next Council is in place.

6.4 Caretaker Statement

During the election period, the Chief Executive Officer will ensure that a Caretaker Statement is included in every report submitted to the Council or to a special committee of Council for a decision.

The Caretaker Statement will specify one or more of the following:

- a) The recommended decision is not, a decision prohibited by the Act and is a decision that falls within the guidance of the Election Period Policy.
- b) The recommended decision is outside the guidance of the Election Period Policy, but the following negative consequences of a failure to make a decision on this matter outweigh the consequences of binding an incoming Council. [Insert description of negative consequences of failure to make decision].
- c) The recommended decision is a decision prohibited in the Act during an election period, but compliance exemption was sought from the Minister in accordance with section 177 of the Act and was granted by on [insert date].

During the election period, the Council will not make a decision on any matter or report that does not include one of these Caretaker Statements.

Councillors will refrain from moving Motions or raising matters at a Meeting that could potentially influence voting at the election.

There will be no Notices of Motion accepted during the Caretaker Period.

6.5 Council resources must not be used

Council resources must not be used in any way that supports an election campaign or in a way that is intended or likely to influence voting in the election.

6.6 Candidacy

A Councillor must not use Council resources for candidacy, or any purpose that may be perceived as being used for candidacy (individual or political party). This applies to a Councillor standing in local, state, or federal government elections, and for any other elected positions, for example, positions on boards. Such use would constitute misuse of position by the Councillor.

6.1.1 State and Federal Government Elections

Councillors will ensure there is a demonstrable distinction between their obligations to Council and their personal interests as a candidate, or member of a political party, in an election period prior to a state or federal election. In accordance with the Councillor code of conduct, a Councillor who becomes an endorsed candidate of a registered political party or publicly expresses an intention to run as a candidate in a state or federal election, is a 'Prospective Candidate' and will provide written advice to the Chief Executive Officer, as soon as practicable, who will then advise all Councillors.

Councillors will not use Council resources or participate in electioneering at Council events, Meetings or functions, in support of any candidate in a state or federal election.

Where clauses of this policy apply to a Councillor or candidate, it is intended that they be applied in the case of a state, federal or Council election.

6.2 Council Publications

6.2.1 Electoral Matter

Council will not print, publish or distribute (or cause to be printed, published or distributed) any Electoral Material (anything containing Electoral Matter) during an election period.

The following definitions from the Act are noted:

Section 3(1) '**publish**' means publish by any means including by publication on the Internet;

Section 3(4) '**Electoral Matter**' means matter, which is intended or likely to affect voting in an election but does not include any Electoral Material produced by or on behalf of the Returning Officer for the purposes of conducting an election.

Section 3(5) without limiting the generality of the definition of 'Electoral Matter', matter is to be taken to be intended or likely to affect voting in an election if it contains an express or implicit reference to, or comment on -

- (a) the election; or
- (b) a candidate in the election, or
- (c) an issue submitted to, or otherwise before, the voters in connection with the election.

Council will not issue, publish or distribute any publication during an election period, other than media and social media responses/statements on a service or issue, or those that are required under an Act or regulation, or the Annual Report media release.

'Publications' include hard copy and electronic advertisements, promotional media releases, fliers, posters, newsletters/updates, booklets, surveys, invitations and group mailouts/emails.

Any publications to be issued during the election period are to be forwarded to the relevant Director for approval, and then sent to the Governance unit for vetting for Electoral Matter. Once vetted, the publication will then be submitted to the Chief Executive Officer for approval. **Appendix 1** contains the approval memorandum required for a publication during the election period.

Council publications available in Council facilities will be reviewed before the election period to identify and temporarily remove anything that might reasonably influence the election.

The Chief Executive Officer, or Delegate, will be the primary spokesperson for Council communications during an election period.

Media and social media responses and statements will only be issued during an election period in the name of the Chief Executive Officer. These will be subject to approval by the Chief Executive Officer.

Council officers will not make any public statement that could be construed as influencing the election.

6.2.2 Annual Report

It is a requirement of the Act that Council's Annual Report is presented by the Mayor at an open Meeting of Council held, in the year of a general election, on a day not later than the day before election day. Every endeavour will be made for the report to be prepared and presented prior to the commencement of the election period.

6.3 Council Resources

The Council will also ensure other Council resources are not used inappropriately in ways that may influence voting in an election. This includes financial, human and material resources. Any staff member who considers that a particular use of Council resources may influence voting in the election must advise their Director or the Chief Executive Officer and obtain approval before authorising, using or allocating the resource.

In applying these principles, the Council understands that the following will be the normal practice during the election period:

- a) Council resources, including offices, support staff, hospitality services, equipment and stationery will be used exclusively for normal Council business during the Caretaker Period, and will not be used for the personal advantage of any Councillor or candidate in connection with any election. This does not apply to the provision of space for the Returning Officer.
- b) No new publications or pamphlets, including Inside Moreland will be published by Council during the election period.
- c) Speeches for Councillors will only be prepared by Council staff in relation to events that are part of the normal services or operations of the Council, for example for a Citizenship Ceremony, and such speeches will not be circulated or available for publication.
- d) No Council logos, letterheads, business cards, photos or other Moreland City Council branding will be used for, or linked in any way, to a candidate's election campaign.

- e) It is recommended that Council staff who are either following Councillors/candidates Facebook pages or who are 'friends' with them unfriend and/or unfollow the Councillor/candidate during this period.
- f) There will be no ward or Councillor Meetings held.
- g) The Executive Assistant to the Mayor and Councillors or any other Council staff member will not be asked to undertake any tasks connected directly or indirectly with electioneering.
- h) Reimbursements of Councillors' out-of-pocket expenses during the Election Period will only apply to costs that have been incurred in the performance of normal Council duties, and not for expenses that could be perceived as supporting or being connected with a candidate's election campaign.
- i) Where Councillors have Council funded equipment, including laptops, tablets, printers and mobile phones, these are not to be used for election purposes or in a manner that could be perceived as supporting or being connected with a candidate's election campaign.

6.3.1 Council Facilities and Meeting Rooms

Council Facilities/Halls for Hire Council facilities will be able to be hired by Federal and State political members and officers, and local candidates (including Councillors) at the normal corporate hire rate determined for the facility, in the lead up to an election, but not during an election period for any local state or federal election.

To avoid a perception that Council facilities are being used to promote any candidacy, no promotional material related to the event/hired use, apart from directional signage, is able to be displayed in the common public areas of the facility being hired. This will be advised at time of booking.

Candidates wishing to conduct electioneering activities in public space, for example, a stall at a shopping strip or park, must act in accordance with Council's local laws and procedures. No other promotional material, including signage, posters, flyers or banners, for any political candidacy is permitted on Council land or in its facilities at any time.

It is an offense under Council's local laws to display this material on Council land, and penalties apply.

6.3.2 Use of the Title 'Councillor'

Councillors may use the title Councillor in their election material, as they continue to hold office during the caretaker period.

While a Councillor can refer to themselves as Councillor in all communication issued by the Councillor (verbal or written), it must be made clear that it is the communication of a candidate and not a position of Council.

6.3.3 Photographs and Images

Photographs and images paid for by Council or taken by Council officers are not to be used in Electoral Material for any candidate. This includes images of Councillors, Council events, and Council owned or maintained infrastructure.

Photographs taken by Councillors, their family or friends, or professional photos they have directly commissioned and paid for, may be used in Electoral Material.

6.3.4 Election Signage on Council Land

In order to ensure Council resources including buildings and land will not be used to support any electioneering activity, Council prohibits any type of candidate election signage being erected or displayed on Council land, including:

- a) Council owned/managed parks, reserves, buildings (exteriors) and nature strips
- b) Road dividing strips (median strips, traffic islands, roundabouts)
- c) Trees, shrubs or plants
- d) Street signs, traffic control signs, parking signs

If election signage is displayed on Council Land:

- a) Council may request the immediate removal of the signage by the owner or candidate or may remove the signage without notification to the owner or candidate.
- b) An infringement notice and fine may be issued to the candidate, in accordance with the General Local Law.
- c) Any costs incurred by Council to remove signage, and/or any costs caused by the signage, for example, damage to trees, may be charged to the candidate.
- d) If election signage is displayed on Crown, Federal or State land in the City of Moreland, Council contact the relevant land manager to request the sign be removed.
- e) Victoria Police will be contacted in the event of any one attempting to obstruct Council officers removing signage.
- f) Council will report all instances of the display on Council land of candidate election signage for a local government election, to the Victorian Electoral Commission.

In accordance with the EPA Act, advertising material/documents may not be affixed to any fixed structure for example, light poles, traffic lights etc without the consent of the owner, occupier or manager of the structure

6.4 Community Engagement and Council Events

Community engagement is an integral part of Council's policy development process and operations, however, there are concerns that consultation undertaken close to a general election may become an issue in itself and influence voting.

Council events in the lead up to an election can also raise concerns over the potential use of sitting Councillors using them for electioneering purposes.

If consultation must be undertaken or an event held during this time, the Council must explain to the community the special circumstances making it necessary and how the risks influencing the election will be mitigated or prevented.

Therefore, during an election period no public consultation under section 223 of the Local Government Act 1989 will be conducted during this period.

- a) Only consultation for the purpose of planning permit applications and operational issues such as canvassing residents' views on small-scale traffic treatments, installation of single trees and the like will be allowed as they are operational in nature and are unlikely to impact the conduct of the election.
- b) Civic Events will cease during this time.
- c) No election material or active campaigning is to be conducted at Council sponsored festivals.

6.5 Equitable Access to Council Information

The Council recognises that all election candidates have a right to information from the Council administration. However, sitting Councillors will continue to receive information that is necessary to fulfil their elected roles. Neither Councillors nor candidates will receive information or advice from Council staff that might be perceived to support election campaigns, and transparency will be observed and practised in the provision of all information and advice during the Election Period.

Information and briefing material prepared by staff for Councillors during the Election Period will relate only to factual matters or to existing Council policies and services. All such requests are to be issued through the offices of the responsible Council Director who will maintain a register of requests made and advice provided. Such information will not relate to new policy development, new projects or matters that are the subject of public or election debate or that might be perceived to be connected with a candidate's election campaign.

A copy of the document/advice will then be passed to the Manager Governance and Strategy as issued during the Election Period. The document/advice will be emailed or provided in a hardcopy format to all sitting Councillors and candidates to access. Candidates will be advised of this process in writing.

An Information Request Register will be maintained by the Governance and Strategy Branch during the Election Period. This Register will be a public document that records all requests for information by Councillors and candidates, and the responses given to those requests. Only information that can be reasonably accessed will be released.

All requests for information are to be directed to the Manager Governance and Strategy.

6.6 Publicity

It is recognised that Council publicity is intended to promote normal services or operations of the Council. Council publicity will not be used in any way that might be construed as intended to influence the outcome of the Council election.

- a) During the Election Period, no Council employee may make any public statement that could be construed as influencing the election. This does not include statements of clarification that are approved by the Chief Executive Officer.
- b) During the Election Period, publicity campaigns, other than for the purpose of conducting the election, will be avoided. Where a publicity campaign is deemed necessary for a Council service or operation, it must be approved by the Chief

Executive Officer. In any event, Council publicity during the Election Period will be restricted to promoting the normal services or operations of the Council.

- c) Any requests for media advice or assistance from Councillors during the Election Period will be channelled through the Chief Executive Officer or the Manager Community Engagement. In any event, no media advice and/or assistance or media releases will be provided in relation to election campaign matters, or in regard to publicity that involves specific Councillors.
- d) Councillors will not use their position as an elected representative or their access to Council staff and other Council resources to gain media attention in support of matters that could be construed as relating to an election campaign.

Information published on Council's website with regard to sitting Councillors will be limited to statements of facts about their roles and responsibilities as a Councillor. For example, contact details, roles and responsibilities as assigned by Council resolution.

6.6.1 Council Websites and Social Media

The only new material published on Council's websites or social media sites during an election period will be:

- a) The Agenda and Minutes for any Council or Delegated Committee Meetings;
- b) The Annual Report
- c) Key service disruption information

Service information already published on the website will be reviewed to ensure it does not include anything that might be seen as likely to influence the election.

6.7 Assistance to Candidates

A copy of this Policy must be given to each Councillor as soon as practicable after it is adopted, be available for inspection, on request, by the public at the Council office and be published on Council's website. The Chief Executive Officer will ensure that all Councillors, Managers and staff are informed of the requirements of this policy.

The Council affirms that all candidates for the Council election will be treated equally.

Any assistance and advice to be provided to Candidates as part of the conduct of the Council Election will be provided equally to all candidates. The types of assistance that are available will be documented and communicated to all candidates in advance.

All election related enquiries from candidates, whether sitting Councillors or not, will be directed to the Returning Officer or, where the matter is outside the responsibilities of the Returning Officer, to the Chief Executive Officer or the Director Business Transformation.
