Engagement Report October 2022 (Design Ideas)

Merri-bek City Council

We asked our community what they liked most about 3 different Design Ideas

They liked...

The idea of a calm, natural, and green environment with lots of canopy trees.

The flexibility of the design, with an area for community gathering, activities or events

The unique design with indigenous planting, a lawn area, and kid-friendly spaces.

We asked if they had a strong preference for one of the Design Ideas

Glow Forest	Civic Stage	Clay Ground

Our community told us they wanted...

- Lots of trees, planting and canopy to create a cool natural environment, and a place of respite
- Flexible space for community gathering, activities or events
- Diverse seating options including lawn area
- Indigenous / native planting
- Integrated artwork

They told us they were concerned about...

- Accessibility
- Safety at night
- Vandalism and maintenance
- Climate resilience
