Merri-bek LGBTIQ+ action plan

2023- 2026

Merri-bek Pride

Acknowledgement of Country

Merri-bek City Council acknowledges the Wurundjeri Woi-wurrung people as the Traditional Custodians of the lands and waterways in the area now known as Merri-bek. We pay respect to their Elders past and present as well as to all First Nations communities who significantly contribute to the life of the area.

We recognise the leading role First Nations people have had in LGBTIQA+ communities. As well as the long-standing connection and understanding of gender and sexual orientation that extends far beyond colonisation.

Thank you

Council would like to thank the Merri-bek LGBTIQA+ reference group and members of the action plan subgroup for their assistance in developing this plan. Thank you for sharing your knowledge, wisdom and lived experience.

Thank you to the LGBTIQA+ communities and allies who took the time to provide feedback and participate in engagement activities.

We'd also like to thank LGBTIQA+ Merri-bek Council staff and allies for your assistance in supporting the action plan and it's development.

Language

We at Merri-bek acknowledge there are numerous acronyms used within LGBTIQA+ communities and that the acronym itself carries its own limitations. Throughout the action plan and at Council we use LGBTIQA+ which represents: Lesbian, Gay, Bisexual plus, Transgender, Intersex, Queer and Questioning and Asexual and Aromantic communities. The + represents and acknowledges the restrictions of the acronym and the evolving nature of language that is used to describe and celebrate individuals' diverse experiences of gender, sexual orientation and sex characteristics.

We use the term LGBTIQA+ communities, to reflect the distinct and different groups under the umbrella term. We acknowledge that some groups intersect and others overlap, however we recognise there is no singular homogeneous 'LGBTIQA+ community' or individual.

Introduction

Merri-bek City Council is proud of the large LGBTIQ+ communities that live, work, create and play in our city. In Merri-bek we are one community, proudly diverse. A city that is strong, vibrant and committed to equality.

As a Council we have proudly supported programs and services that elevate LGBTIQ+ communities across the organisation and in our community for many years. These programs and those of Merri-bek's large LGBTIQ+ communities are the foundation for our first LGBTIQ+ action plan.

This action plan formalises our operations across the organisation to ensure that our work is genuine in supporting LGBTIQ+ communities. The action plan is guided by and supports the implementation of the Human Rights Policy to achieve improved outcomes across our city. Activities within the plan have been assigned to different Council branches, who will be responsible for completing these tasks.

Activities and outcomes are broken down into three priority areas:

Priority area 1 - Advance inclusion and social cohesion in the community

Priority area 2 - Deliver inclusive and accessible services

Priority Area 3 - Council is an inclusive organisation

Human Rights Policy

The Merri-bek Human Rights Policy takes a whole of Council approach to ensure that our services, spaces and workplace are inclusive for everyone. The policy aligns with Commonwealth, State and local government legislation, with the aim to achieve consistency in Council's approach to diversity.

The Human Rights Policy gives precedence to specific groups which are recognised as being at greatest risk of exclusion from social, economic and political life because of access barriers and discrimination.

- LGBTIQ+ communities
- Aboriginal and Torres Strait Islander Communities
- People with Disability
- Migrant, Refugee and Faith Communities
- Women, Girls and Gender Diverse Communities

The Human Rights Policy takes an intersectional approach, recognising that individuals are complex and shaped by a range of personal attributes such as ethnicity, gender, class, sexuality, age, disability, migration status and religion. This is reflected in the LGBTIQ+ action plan which acknowledges the diversity and lived experiences of all LGBTIQ+ people.

The LGBTIQ+ action plan lays the foundation for the implementation of the Human Rights Policy across Council. By providing practical and measurable activities to meet the goals of the policy.

Action plan life cycle

The LGBTIQ+ action plan is an operational framework, that has the ability to be flexible and responsive as new and emerging challenges arise.

The action plan will run from 2023 to 2026 over a three-year period. With the final evaluation to coincide with the review of the Human Rights Policy in 2026.

Activities within the action plan include both ongoing tasks or are project based. Work units within Council hold responsibility for delivering assigned activities. Working alongside the action plan

implementation group, with the aim of fulfilling the Impact statement and Outcomes contained in the plan.

Actions identified with  indicate a new activity for Council.

Monitoring, evaluation and review

Council is committed to the ongoing evaluation and review of our work within the LGBTIQA+ space. Continuing monitoring and mid-term evaluation will ensure the action plan is practical, sustainable and genuine in its activities.

This will include the development of a monitoring and evaluation framework as part of the Human Rights Policy to assess the progress and impact of the action plan activities. This monitoring will take place at 12-month intervals against agreed indicators and a report will be provided to the community. Outcomes from these reviews will be used to inform future plans.

The LGBTIQA+ reference group will continue to provide advice to Council and be involved in the evaluation and review process of activities.

Merri-bek LGBTIQA+ Action plan

Impact statement

Our impact statement is the aspiration for our city. It underpins the work we do within the LGBTIQA+ space and is central to all outcomes and activities contained in the plan.

Merri-bek is an inclusive city, where we as LGBTIQA+ communities are visible, safe and celebrated. Council is a leader in providing inclusive and informed services across all life stages, demonstrated by working towards community endorsed standards. We cherish our diversity across LGBTIQA+ communities and amplify all voices of the rainbow.

Priority area 1 - Advance inclusion and social cohesion in the community

Working with our communities, Merri-bek City Council will celebrate the strength and diversity of all LGBTIQA+ people, to ensure inclusion and safety for everyone across our city
